

Taste of Memories

Taste of Memories is a new and unique commemoration project that aims to commemorate Israel Defense Force's fallen soldiers and Israeli terror victims, through the cooking of their favorite recipes, while telling their stories.

As part of the project, cooking sessions are being held, where the participants cook a favorite dish of a fallen soldier or terror victim, that could not come back home to enjoy it themselves.

In the session you will cook, taste and share pictures, stories, videos and anecdotes about the person behind the dish, and their family, in order to keep their memory alive

Kim Levengrond - Yehezkel

Kim was born on September 11th, 1989 in Ramat Gan.

During her life she moved between many cities but everywhere she went she brought her shining light with her.

As a little girl she loved to sing and dance.

Kim was beautiful ,both inside and out.

Her sister shared that she was even more beautiful on the inside ,filled with compassion for all people and especially animals.

She gave without wanting anything in return and did it quietly.

Kim studied Law and worked hard to succeed on her final exams.

She loved animals and dreamed of being a lawyer who would protect them .She always said that she would not be able to make money ,since she would help the weak and represent her clients for free.

Kim met her husband Guy through mutual friends .They were deeply in love.

Kim and Guy got married and moved to Rosh Ha'ayin to be closer to Kim's family.

Kim and Guy had a child ,they named him Kai.

His name is an acronym for k'dushat eretz Yisrael)the sanctity of the Land of Israel ,(and it means "win "in Chinese.

That I will keep being a good wife to my husband ,a good mom to my little prince and that I will take care of my dear family while I breathe.

I wish for myself to accomplish everything that I wish for ,my dreams and my desires ,and that I'll always give more to my environment and to all the animals.
